

Subject: Feedback on Soft Skills Training

Dear Nithasha Bran,

I wanted to thank you for teaching me soft skills. They were really engaging and gave me a better understanding of how important communication is. Also in this session, I learned how to make a resume, create a LinkedIn profile, cover letter. Learning about etiquette in an interview, corporate jargon, how to present myself in an interview, and how to give the perfect response are some new and valuable things that I have learned in my life

I appreciate the way you explained concepts using real-life situations and encouraged us to interact in a live class. It made the learning process more practical and easier to connect with.

Thank you once again for your guidance and effort throughout the sessions.

Yours sincerely,
Salvin Cheriyan Babu
